I have seen the above mentioned individual before me and I said to him, I, police officer Yitzhak Ya'akoboff, Badge No. 100835-8, inform you that you are suspected of membership and activity in the military Hamas Organization, military training without a permit, possession of war materiel, making improvised explosive devices and explosives, planning attacks against Israeli targets, attacks against Israeli targets, murder and attempted murder. You are not required to say anything unless you wish to, but anything that you do say will be written down by me and may be used as proof against you in Court. [Arabic handwriting] Yitzhak Ya'akoboff.

After I read out and translated the content of the above text to the above mentioned individual, he said to me as follows:

Question – Have you understood the suspicions against you?

Answer - Yes, I have understood.

Ouestion - What is your connection with the attacks against the railways (kitrat) in Lod and in Yavneh? 10

Answer - I prepared these two improvised explosive devices. These were improvised explosive devices that are activated 11 by a mobile phone that is connected to the charge. I made these improvised explosive devices like the ones I used for the 12 fuel truck at Pi Glilot and in Rishon, just without a magnet. 13

Question - How do you know that those were the improvised explosive devices that you made? 14

Answer - Salah 2 asked me to prepare these two improvised explosive devices and after I made them he transferred them to Ibrahim Hamad, who is Salah 1. When I made these improvised explosive devices, I did not know for what attack they wanted to use them and after they announced these attacks against the trains on the television and talked about the improvised explosive devices and how they were activated, I was sure that these were the improvised explosive devices that I made, and also because Salah 2 told me before that that the improvised explosive devices had been transferred to a cell.

20 Question - Tell me about the rifle with the sound suppressor that Bilal Barghouti requested from you. 21

Answer - About a week before the attack at Sbarro, Bilal Barghouti asked me for a pistol with a silencer. I asked Aiman Halawa to send me a pistol with a silencer (katam ut) and an Uzi to Ramallah. After some time, Aiman Halawa was to send me the weapons to Nablus Taxis in Ramallah. On the day that Aiman Halawa sent the weapons I was arrested by the Preventive Security in Ramallah. After a few days, an officer of the Preventive Security called Abu Ali Tarifi gave me a new mobile phone in the presence of Marwan Barghouti and Hasan Yosef and I called Aiman Halawa and told him that I

was in prison and I told him
